Version control – I understand.

I'll look at the post-G7 weeks, but immediate feedback is that I would add reference to Ambassador Sugiyama participating in the Anacostia event, and the request from the Embassy of Japan to share talking points ahead of the event.

Thanks so much! Let me know if this is it or if you have additional changes. We are just having one person (for now) working in the document to avoid any mistakes.

Hi Jessica – This is great! I've got several edits I could make to the larger schedule. For instance, I think the 4/30 – 5/2 NEJAC mtg is OEJ (not OITA). Would also split the Europe trip between UK/Brussels and G7, since the prep will be different for each of those segments.

I could make those edits directly into the larger spreadsheet, in track changes, if it would help. Can also send them to you in an email.

Thanks, Martin
